~May all your wishes come true and happy always~ XOXO

To our dearest Sunako <3!

You are the one who opened our eyes to true (scan) quality, the one who always give the group 120% (when editing), the one who produce wonderful masterpieces (credit pages/double pages)! Though we may overwork you sometimes (ok, a lot), you still help us no matter what. We really couldn't be what we are today without your help, dedication and love!!

So, on this special day of yours, we decided to give you a very mysterious and appealing surprise! Though he's quite unknown at the moment, I'm sure you'll be drawn in and wrapped up by his mysterious and cool aura (even Hikawa probably doesn't have it XP)! So we hope you'll treasure and enjoy him!

We wish you a very wonderful, happy and fun birthday. May all your wishes, desires and sweet cravings come true and be fulfilled, but most of all, we hope you'll make more of these special memories with us!

Happy Birthday Suna-love!!

From your
Ochibichan-scan Family!

I WOULDN'T HAVE KISSED YOU.
IF I HAD KNOWN YOU WERE SUCH A TROUBLESOME GIRL,

WHY...
I should think more carefully.
TO BE FRANK,
HAVING A STUDENT AS A GIRLFRIEND IS ALREADY WRONG...

SAY SOME-THING..
LIKE THAT..
WHY WOULD YOU
TO ME, YOU'RE MY EVERYTHING.
IF YOU WANT TO STOP SCHOOLING IT'S YOUR BUSINESS,
BUT
AYASE, HOW DO YOU WANT ME TO TREAT YOU?
WITHOUT YOU, I HAVE NOTHING LEFT...

SO, DON'T INVOLVE ME IN YOUR PERFECT DREAM.
IF YOU'RE NOT MY STUDENT ANYMORE,

ANGEL'S PRANK

☆ About Pink no Idenshi ☆

Erm~ This is the third book published after "Kiss Me Baby" and "Sensei, Let Me Teach You!"... What an achievement... This is my third book!
I've been drawing with my best, in my own opinion; I think I've been performing well!
Un, no one praises me, so I just praise myself by saying "Good, good". I managed to release at a pace of one book every year without any trouble. When everyone has forgotten about me, then another new book of mine is suddenly released, it feels great... But is that why my books aren't selling well..? *Silence*..
If I continue to babble, I'll give trouble to the editors, so I'll stop here..
This book, "Pink no Idenshi", is different from the previously released books. At the side of the book, there's a (1). That means there'll be a continuation. It'll be published to book 2 at the very least. I always looked forward to drawing compilation works, so I'm really happy, even though they are short oneshots. To have the book titled as "Pink no Idenshi" is so that no matter what kind of story I draw, the title would still be the same. This makes it easy for someone who is bad at names like me, no other particular reasons. Yet, the slogan published in the magazines is always "sexy H yet comically drawn~" ...Does this mean at the end of every "Pink no Idenshi" chapter, there'll be sex? (How can I ask the readers such a question?)
Actually, I don't really like drawing H scenes.. (What's the use of saying this now?) Because I'll feel ashamed.. And it makes me feel embarrassed too...!
Yes, embarrassed! Why should I spend time and effort drawing scenes of other people being lovey-dovey? I would rather draw my own "STORY OF SUCCESS". (I did not succeed, and no one would read it.)
Well, if I feel embarrassed, then I won't be able to become a shoujo mangaka. Shoujo.. Are erotic manga, right? Therefore, I've changed careers and become an erotic mangaka; my change in career paths wasn't that hard either. I love these dirty jokes so much that I'm living in hunger and cold (don't drool)... Therefore, I've happily become a dirty joke mangaka.
I don't even know what I just wrote. Because this morning, the newspaper man...

Ah right. Now that I mention it, I always take a stroll at three or four in the morning. I sometimes meet the guy who sends the newspapers. I was worried that he'll think I'm someone suspicious walking around in the middle of the night, so I pretend to look for something, using a "I'm not someone suspicious~ I'm a good citizen" pose and smiling as I walked.. That definitely creates even MORE suspicion! So I don't want to pretend anymore! I'll just walk without fear next time! ...Yeah, just like that. No one sees my face anyway.

...Erm.. So, please continue to support "Pink no Idenshi"!

I'LL ALWAYS TELL THEM,
ASAKO-CHAN'S THE ONLY ONE WHO CAN BE PATIENT WITH ME AND BE MY FRIEND
that just thinking about you makes me ache to the point where I can't sleep.

I wish I could just tear off his wings,
imprison him in a tower that no one knows,
not letting him see anyone,
only allowing him to receive the food that I offer.

To him, I'm everything.
To have him only love me.

You can't stop me from doing whatever I do to you in my dreams.
EH?!
YOU HAVE TO FINISH THE PR BROCHURE BY TODAY?!
THAT'S A BIG PROJECT, RIGHT?

Eh?
We couldn't embrace each other,
we couldn't kiss each other,
we couldn't make love to each other,
we couldn't do anything.
NO MATTER HOW MUCH I LOVED YOU,
HOW OFTEN I WAS BY YOUR SIDE,
WE'RE STILL NOTHING BUT FRIENDS.

How much courage do you think it took me to say those words?
Yet you're indifferent to it.
...Your response,
it hurt me a lot.
We finally managed to become a couple,

What the heck is this?
Why didn't you tell me something so important earlier?!

So,
I guess that means...

THERE'S NO PROBLEM BETWEEN THE TWO OF US.

DANGEROUS LOVE TRIANGLE

☆ABOUT THE WORKS☆

"Immoral Teacher"
Actually, I wanted the teacher to keep wearing glasses (I love glasses ~ <3). But later it was very troublesome. Moreover I couldn't draw it nicely, what a pity. I think the male character is this book's most decent one.

"Be Careful After School"
I was worried that readers might hate this story because the whole plot was arranged based on my own instincts. The president's real feelings are overheard by Yuki, Yuki runs away, he is later stopped by the president (Can a person who played baseball before be caught so easily ?), and then the scene with Yuki's face full of tears as he turns around.. A touching and famous scene. My friends all say, "..This is the funny part, right?" How rude! Hmph! Hmph! Oh right, no matter how I draw Yuki's friend (the dark skinned one), he'll come out very cute (I changed him a lot of times.) Am I the only one who thinks he is cute?). I discussed with my sister, "He becomes a good looking guy no matter how I draw him, what can I do? And I want to draw him as an ugly guy " She then said, "..This is love: you have developed feelings for him " Argh! Is this really love...?

"Angel's Prank"
No words are needed; the angel is Pesu (the dog) I had fun drawing the heroine when she was imagining herself in the long dress

"Dangerous Love Triangle"
I thought readers would hate this sort of story too (my friend was the first one to reject it), but I rather liked this one. , Stupid heroine.. I told my editor, "I can't understand why the younger brother would like such a girl." He then said to me, "It's alright. It's because his genes are pink in colour." It took me a long time to understand what he said. I see now~ People are in love due to their genes.~ Love is already embedded into genes. The astonishing DNA. Is this really alright? The scene with onii - chan's detailed body structure, my friend said, "This isn't natural, his p*nis would have been seen through the shirt! Draw it!" Always complaining~ She even asked me to draw the hair on volume 2's cover.. What? Want to see it? Can't take it? Good. Next time ask her~ Ah ~ right, that fatty pervert is actually me being mischievous, the only character I can't accept~ Why? Because he's just the usual disgusting guy... I couldn't even bear to ink him, I kept saying, "Disgusting! Disgusting!" while I was inking the hair. I made my assistant (a girl who is new to the assistant job) ink him instead (How mean)! When I was discussing about adding something on to onii - chan's back with the other assistants, a weak voice erupted from behind, "Excuse me.. Can I join in the discussion..?" (She's always made to do the disgusting parts I don't think she can take it anymore..), and yet we pretended that we didn't hear her.~ (cry)

Sorry... That was all I could do then, because no one else wanted to help~ I can't even bear to ink it~ It was too disgusting~ Please help me next time too.

When I look back at the story, I feel that the older brother just likes to boss the younger brother around. Troublesome~ (laugh) He definitely takes bullying his younger brother as a hobby. I actually prefer to have the young brother retreat before reaching the hotel and (while panicking) take his brother home (laugh). In the end, he still depends a lot on his older brother

DOKIN

BEFORE I HAVE AN ANSWER,
CAN THE THREE OF US BE TOGETHER?
...MAKI,
WE WERE HURTING CHIZURU-CHAN WITHOUT REALIZING IT...
THAT'S NOT WHAT WE WANT, RIGHT?
OF COURSE ..
WE CAN'T HELP IT IF KANNO CAN'T MAKE A DECISION...
I WILL WAIT FOR HER.

EVEN IF YOU'RE MY BIG BRO-THER,
I WON'T HOLD BACK EITHER.
LET ME MAKE IT CLEAR I WILL WIN
I WON'T LOSE TO YOU.
THEN, LET'S HAVE A CEREMONY FOR THIS COMPRO-MISE.
KANNO'S WISHES WILL ALWAYS COME FIRST. LET'S HAVE A FAIR COMPETITION.

I GOT AFFECTED TO DO SOMETHING OUT OF CHARACTER BY ANIKI...
Well whatever
Good girl! Good girl!
ALRIGHT— LET'S START THE COMPETITION!
LET'S SEE WHO CAN MAKE CHIZURU-CHAN HAVE AN ORGASM FIRST!
Fair and square!

THIS IS THE FASTEST WAY.

There are too many things to worry about, but I should cross the bridge when I get to it. Everything will be all right. Right?
